Details:

The Michigan Supplier Conversion Grant Program is a partnership between the Michigan Department of Labor & Economic Opportunity, the Michigan Economic Development Corp., the Michigan Manufacturing Technology Center, the Michigan Small Business Development Center, the Centrepolis Accelerator at Lawrence Technological University, and the University of Michigan Economic Growth Institute.

Funding Information

The Michigan Supplier Conversion Grant program has allocated \$31.8 million to help Michigan's small and medium-size suppliers convert from manufacturing parts or components for internal combustion engine vehicles to manufacturing parts or components for the electric vehicle supply chain.

Eligible Costs

Eligible costs could include the following areas:

Apply now for Earl and Maxine Claussen Trust Grant
